# FOR PARENTS

- During arrival and dismissal, to reduce the interaction, parents/guardians will not be required to drop off or collect inside the school – where possible our teams will collect from the school gate or designated drop off/collection area specific to each school
- If possible, registration will take place outside.
- Staff can countersign the children in and out with parents' permission, ensuring that staff/parents do not have to share pens.
- Staff will wear masks where social distancing is not achievable.

# FOR STAFF

- On arrival all children and staff will be asked to wash their hands.
- Avoid high fives/holding hands, our new meet and greet include the foot tap or elbow bump.
- Staff and children will wash their hands before and after every new activity session.
- Chairs and tables to be set up adhering to the latest social distancing guidelines where possible.
- Staff will maintain 'social bubble' guidelines.
- Hand sanitiser will be available for staff, children and parents.
- Tissues/wipes will be available at all times.
- Staff will try to ensure that physical contact with children is kept to a minimum and if required relevant PPE will be provided.
- Staff will continue to promote key messages of hygiene and well-being as per government guidelines.
- Staff will reassure children regularly that steps are being taken to keep them safe.
- Staff will ensure the cleaning rota is in place to keep all resources clean and sanitised.
- Staff will prepare food for the children (avoiding buffet style). Where required snack time will be staggered.

# DELIVERY OF ACTIVITIES

- Surfaces, resources and equipment will be sanitised after use.
- Activities will be outside as much as possible (weather permitting).
- Sitting activities and circle activities will be delivered in large areas.
- Activities adapted to suit social distancing.
- Deliver team games where safe and appropriate to do so.
- Areas of the playground to be allocated to specific bubble groups.
